Country that issued Passport: CHINA

Dear Mr. Xinxing Huang :

On behalf of the American Institute of Aeronautics and Astronautics (AIAA), I invite you to attend the 70th International Astronautical Congress (IAC 2019), to occur 21-25 October 2019 in Washington, DC, USA.

This event is hosted by AIAA and organized by the International Astronautical Federation (IAF). IAC is the world's premiere global space event, offering the latest space information and developments from a global, multidisciplinary perspective.

AIAA is pleased that you will be participating in this event as an Attendee.

If you plan to attend IAC 2019 in the United States and you require a visa for travel, you must apply for a visa with the U.S. embassy (consular division) or a U.S. consulate with ample time for processing. Advance travel planning and early visa application are important. AIAA strongly suggests that you submit your formal application to U.S. authorities a minimum of 120 days in advance of the date of anticipated travel.

Please visit travel.state.gov for more information about the visa application process and U.S. Department of State requirements for travel to the United States.

This letter of invitation is not a commitment on the part of AIAA to provide financial support or to contact the embassy officials on behalf of the conference participant.

Yours sincerely,

Karen R. Thomas

Managing Director, Products and Programs
